

Things to Do for Sponsorship

- 1) Pray about who you intend to sponsor. Remember they must be at least a **sophomore** in high school.
- 2) Give the parent the “**Parent Letter**” directly (don't let the caterpillar see it).
- 3) Give the caterpillar the “Packing List” and make sure they understand; a) they CANNOT have their phone out during the weekend, and b) what reunion groups are AFTER Chrysalis and they are welcome to attend.
- 4) Make sure the application is filled out completely and if the caterpillar's parents are divorced- that both parents know they are attending and we have both parents' information.
- 5) We need to know on the application if the caterpillar has any allergies, what/when they take their meds (because they won't know what time it is) and if they have a special diet due to allergies or otherwise.
- 6) The times for the weekend are on the Sponsor Guide and Parent Letter.
- 7) Remember how special your Agape Letters were to you... make them a priority!
- 8) If you are serving on the team while you are a sponsor, make sure you have secured transportation for your caterpillar for Saturday morning at **8:00 AM SHARP**.
- 9) It's a HUGE deal if a sponsor brings a caterpillar late because it pushes the entire morning behind. Make sure to have them there at **8 AM SHARP**.
- 10) With their application, if they can go ahead and pay the \$100, that makes the Saturday morning registration easier. If not, just send the \$25. Never turn anyone away though! If you have someone that wants to go- talk to a Chrysalis Board member and we will work it out.
- 11) There will be team members lined up when your caterpillars arrive. The team members will take their bags- make sure the caterpillar immediately goes inside and gets registered first.
- 12) Sponsor's Hour is very important because that's another time the caterpillar's cross gets prayed over. The sponsor ALWAYS needs to attend unless they are on the Team. If they are a team member, they need to pre-arrange to have a friend/family member pray over that caterpillar's cross. The sponsor should also invite the Parents to attend Sponsor's Hour to learn more about Chrysalis and what their child will be experiencing.
